

SEWING TECHNIQUES

Whipped Chain Stitch

Stitch Category: Line stitch, Looped stitch, Woven stitch

Used in: Surface embroidery - outlines, and fillings

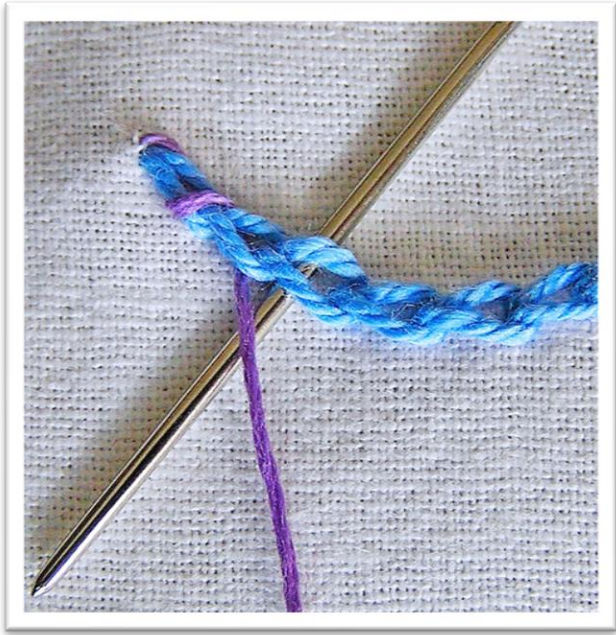

You need to know: Chain Stitch

The whipped Chain Stitch exemplifies how the Chain Stitch works as a base for decorative variations. The whipping of the Chain Stitch makes it leaner and slightly bolder. Using contrasting colored threads could make attractive samples. Use a tapestry needle to weave under the Chain Stitch

1. Lay a foundation of Chain Stitch

Whipped Chain Stitch

2. Use a contrasting thread and come out from one end of the Chain Stitch row. Take the thread through each loop of chain made to give a whipped appearance.

3. A section of the decorated Chain Stitch will appear like this.
