

DRESSMAKING TOOLS

CUTTING TOOLS

Bent handled dressmaker's shears

Shears that have a length of 7 – 12 inches are satisfactory for most apparel fabrics.

Pinking Shears

Used to finish seams and raw edges and to create decorative edges on many types of fabric.

Trimming Scissor

It is 3 -4 inches long. it is used for trimming, clipping threads, and snipping slashes.

CUTTING TOOLS

Embroidery Scissor

It has 4- 5 inches finely prepared blades. Both points are sharp for use in working with fine details in delicate fabrics and in embroidery work.

Buttonhole Scissor

This is intended for making buttonholes.

Thread Clippers

Handy little spring-loaded cutting tool that used to snip threads and they are not designed to cut fabric.

CUTTING TOOLS

Seam Ripper

Used for ripping out stitches from seams, either as a result of an error or during alterations to prevent damage to the fabric.

Thread Clippers

Used for cutting straight edges of fabric.
