

# **METHODS BEFORE CUTTING THE CLOTH**

# STEPS IN PREPARING MATERIALS BEFORE CUTTING

## STEP 1:

Soaking the fabric at least  
2 to 4 hours.

## STEP 2:

Hanging the fabric without squeezing

## STEP 3:

Let it dry through natural way or on the hanging line/hanger.

## STEP 4:

Check the fabric is on grain then straighten it back to original form.

## STEP 5:

Iron it to remove creases if necessary.
